A BILL FOR

An Act to amend chapter two hundred sixty-four (264), Code
1950, by inserting therein a new section relating to
transfer of college credits.

Be It Enacted by the General Assembly of the State of Iowa:

1 Section 1. Chapter two hundred sixty-four (264), Code
2 1950, is amended by inserting therein the following new
3 section :
4 “Any college, university or other school which grants
5 any scholarship or other benefit to any student shall, on the
6 request of such student transfer all educational credits,
7 grades or other evidence of attainment to any college,
8 university, school or other institution as such student may
9 direct. Said transfer shall not be conditioned upon payment
10 of any fees or charges which were covered by the scholarship
11 grant from said school, college or university.”.

EXPLANATION OF H. F. 450

The purpose of this bill is to prevent the practice which has arisen in certain colleges of requiring any student who has received scholarship benefits to pay back such amounts before a transfer is permitted to another institution of learning.
